

## VIC BLANCE DEVELOPMENT PROGRAMME

Mission statement: To assist players that are able to succeed at senior representative level.

Stakeholders: players, selectors, Taranaki Board, coaches, funders and clubs.

Development Programme Manager: John Murtagh.

### Programme:

The programme will commence with an all-day session on August 24, 2019, at Paritutu.

Each selected player is required to have a coach/mentor, who will assist in the development of the player and will liaise on a monthly basis during the season with the Development Programme Manager.

The Programme will include follow-up sessions during the season, with the second taking place mid-season. Another session will occur at the end of the season.

### Selection of the players for the programme:

The players will be selected by the representative selectors and the Development Programme manager.

Players are required to complete the attached form to be considered for the Programme.

The selectors are encouraged to shoulder tap identified talent to ask about aspirations.

The programme will consist of 8-10 players.

The selected players will have extra talent and a desire to be able to win at a senior representative level.

It is the expectation that players will be regular competitors in centre events.

While the likelihood is that the majority of players will be of eight-years-or-under experience, exceptions can occur.

Nominations close at 2pm on June 4, 2019, and should be sent to [taranakibowls@xtra.co.nz](mailto:taranakibowls@xtra.co.nz); PO Box 4024, New Plymouth 4340; or dropped off at the Centre Office, upstairs, Paritutu Bowling Club.
